WPPA CONVENTION CHAIR

WPPA Convention 2023 will be here in just a month and we have some great programming.

FULL CIRCLE - The Ins and Outs of Photography.

Our convention being held May 20th and 21st and it is being held again at Doc's Harley Davidson dealership once again.

Why you ask????

We searched high and low for a location that will give us a variety along with keeping the rental of the facility down so we can spend the money on bringing in great speakers.

We will start off with Lisa Asp on Saturday. She will be speaking the entire day.

After the Lisa's class there will be the awards dinner with image competition awards followed by the WPPA Grand Awards.

But wait Saturday programming continues with Dave Olson at 7:30p.m.

Sunday morning will begin with a WPPA Member Meeting. (WPPA Members Only)

Sunday we will be spending the morning with Jon Allyn and the afternoon with Richard Trummer.

What to bring, camera, laptop, lights.

Thank you to our our sponsors for their continued support.

WELCOME !

Join us on May 20th and 21st for a weekend full of learning, sharing, reminiscing and most of all "FUN".

Did you know...

The Professional Photographers of America (PPA) was formed in Milwaukee by a group of WPPA members?

The studio strobes that we all use was invented by an engineer/WPPA photographer in Racine and were first installed in a studio in Appleton?

How many of our members have gone on to serve as presidents of PPA and the American Society of Photographers (ASP)?

Could you imagine going to a program on Constant Light vs Flash in the heyday of Black and White?

Who started the Fellowship Program?

Who moved the convention out of Milwaukee?

Dig into colourful past and you'll find out why the WPPA has been around for over 126 years and what it means to be a member!

The “Ins and Outs” of Animal Photography”

Calling all animal lovers!! This promises to be one of the most fun photography workshops you’ve attended!

Join Master Photographer Lisa Asp for an animal-centric day of education, photography, and laughter.

Lisa will get into the nitty-gritty details of working with pets in the studio, on location, and in the wild.

Experience a behind-the-scenes look at her techniques through live demonstration.

Bring your cameras-Doc’s Zoo will be open to try your hand at photographing their diverse family of animals.

Lisa Asp has been a professional photographer for 25+ years. She began photographing pets after adopting her first dog in 2001, a retired racing greyhound named Jersey.

Her niche of animal photography has expanded into a love of wildlife and the outdoors. She gets away to spend time photographing outside whenever possible, which re-energizes her and re-ignites her passion for photography.

Lisa has won numerous awards for her work including five Kodak Gallery awards, Fuji Masterpiece, Lexjet, PPA District First Place, IPC GIA First Place, and GIA Second Place, two-time Diamond Photographer of the Year, and more.

Receiving PPA “Photographer of the Year” status for the last 12 years straight, Lisa has been named one of PPA’s “Elite Plus” members.

She enjoys volunteering her time with several pet rescues photographing their adoptable animals, fostering and assisting in their fundraisers and food drives.

She is a past president of the Twin Cities Professional Photography Association, Founder and Director of the Animal Image Makers Conference, a PPA Councilor, and PPA-Approved Juror.

Simple concepts and easy-to-use techniques allow you to optimize your sales and client satisfaction through "relationship selling". By unleashing your power of communication, you will dramatically increase your effectiveness in business and life.

By the end of this session, you'll be able to:

Instantly build rapport with anyone -- (make friends quickly)

Identify and sell to each lifestyle demographic -- (make money easily)

Identify and relate to each of the three human modalities -- (speak their language)

Understand and apply the three forms of human influence -- (communicate more effectively)

Uncover and overcome objections -- (clear the way to the bank)

Know what to say and what not to say in a consultation or sales appointment

Create clients for life. And much more!

Ponder this – "What you don't even know that you don't know, can cost you a fortune."

“You May not Want to Hear This!”

Are you and your studio thriving in this economic environment? Are you just surviving, going from day to day wondering if next week you may have to shut your doors and try a career in truck driving? Or are you drowning with no where to go and no hope in sight?

Over the past fifteen plus years, Rick Trummer has been traveling the country and making notes on why some photographers are thriving, some are surviving and why some are drowning.

In May of 2012, Rick opened up his own consulting firm educating studio owners on how to survive in these economic times.

You may not want to hear the information he has to give you, but it's information that is crucial to our existence as studio owners.

He will discuss the planning and execution of setting goals in both marketing and business, then accessing those goals on a weekly, monthly and yearly basis to deliver the results to keep you in business.

He will give you the insights needed to help you thrive in this economic environment by evaluating those goals and making changes based on the results.

This program is not for the weak of heart, so strap in for some straight truth and self-analyzing to get you all to the next level of life.

KENNETH MARTIN

M.PHOTOG.,CR.,CPP, F-WPPA

Hello everyone, I am the president this year once again and am so excited to bring more learning opportunities to the WPPA members!

2022-2023 Randy Kostichka was the Education/Activities Chair. Randy helped organize some great Share and Shoots in 2022.

For the 2023-2024 year it was decided to make a few changes with this position by adding committee members.

The 2023-2024 Education/Activities Chairs are Krystal Stankowski and Tim Koll.

They have committee members of Ben Fulcer, Travis Baranczyk, and Whitney Minten so far. All WPPA members are invited to join this committee.

OUTLOOK FOR 2023-2024

These programs will continue and come with a minimal cost of \$10 to \$20 dollars, stay tuned for the 2023 dates.

If you have ideas, would like to be a presenter, host, and/or would like to participate on this committee please contact Tim or Krystal and cc Jamie.

We are in the process of scheduling Steve Kemp, M.Photog, M.Artist, Craftsman, CPP, F-WPPA, to present his green screen techniques.

We are working on dates to bring other educational and activities to you, our WPPA Members.

I would like to thank all who volunteered their time and talents to make this happen last year and now, this year.

The more volunteers on our committees the better.

Remember to save the dates of May 20th and 21st for the WPPA Convention happening at Doc's Harley Davidson located at W2709 Highway 29, Bonduel, WI

Ken Martin,

2022-2023 and 2023-2024 President of the Wisconsin Professional Photographers Association

A Pewter medal with a purple ribbon will be worn by the recipient that has obtained the required number of credits that are needed to earn this degree.

The minimum number of service credits needed are 20, with a total number of 25 credits earned.

Credits used to obtain the Associate Fellowship can and will be used toward the Fellowship Degree.

Fellow of Photography (F-WPPA)

A Gold medal with a red ribbon will be worn by the recipient that has obtained the required number of credits that are needed to earn this degree.

The minimum number of service credits needed are 40 service, with a total of 50 credits earned.

After the Degrees are earned, additional "credits" are awarded for each additional 25 credits received. The recipient will receive either a pewter bar (Associate Fellowship) or either a gold bar (Fellowship) for those credits. There are no limits to the number of bars received or credits earned.

All "credits" earned are from some type of service to the WPPA, one of WPPA's Regional organizations in the form of a program, judging, and competitions at the Affiliated Convention or Fall State Convention. Any programs OUTSIDE of Wisconsin are NOT eligible for credits.

WHO IS ELIGIBLE?

All Primary, Associate, and Life members of the WPPA in good standing.

Rules

All decisions regarding eligibility of credits will be made by the Fellowship Committee with the approval of the WPPA Board of Directors and these decisions are final. If the rules are not followed exactly, loss of credits may occur.

1. Credits are awarded on a calendar year basis. Credits in any calendar year MUST be reported to the Fellowship Chair by the 30th of January IMMEDIATELY following that year.

If credits "earned" between Jan. 1st and BEFORE the Affiliated Convention, every effort will be made to make that award at the Awards Banquet. If time does not allow, it will be awarded at the next annual Awards Banquet.

2. Proof of performance (copy of newsletter or merit) for non-automatic service credits MUST be sent each year to the Fellowship Chairman. Credits "earned" prior to the immediate past calendar year will NOT be accepted.

Proof must be signed by a Regional Director, Fall State Convention Chair, or Affiliated Convention Chair.

Proof must also include EXACT date of the event. If there are any problems, it should be reported to the Fellowship Chairman immediately, supported with written documentation of credit.

3. There are NO limits to the number of credits that can be earned in one given year.

4. All WPPA Committee Chairs, Assistants, Regional Directors, and Executive Board MUST attend the minimum number of WPPA Board meetings per year as set by the WPPA President in order to receive credits.

5. The WPPA Board of Directors, by a 2/3 vote, may retract a member's credits for sufficient course.

Medals and Bars will be presented at the annual Awards Banquet at the Affiliated Convention.

WPPA GRAND AWARDS

NOMINATIONS WILL BE CLOSED ON APRIL 25TH!

Each year WPPA honors some of our volunteers with what is called the Grand Awards.

It takes the hard work of volunteers and their dedication to keep an organization such as the Wisconsin Professional Photographers Association at the forefront.

Awards will be presented at the Awards Dinner on May 20th, 2023.

There are 7 Grand Awards.

Visit <https://www.wppa-online.com/grand-awards/> to learn more.

Who has been volunteering in 2022? Who has given you help in 2022. Also take a look around the WPPA Membership and notice the ones that are volunteering and helping this organization grow. Thank them and then nominate the person when Nominations are open.

Who deserves to be nominated for the honor or an award.

- Look around, who do you see volunteering, either on the board or on a committee?
- Who may have impacted you the most by what they have done for you in the field of photography?
- Who might have had a great impact on WPPA as a whole?
- Those are only some examples.

What award should I nominate someone for?

- Read the awards criteria.
- Find the award that most fits the WPPA member's achievements.
- See if this person has already received this award, if so then look at other award criteria's. Some awards can be given more than once.

Filling out the nomination form, a notice is sent to all WPPA members explaining the awards and cut off date.

- Answer all the questions on the nomination form.
- When asked to tell a story about them or list their achievements, do your homework.
- Find out as much as you can about the person.

The achievements must be relevant. You must clearly understand the meaning of the achievements in the context of the award. How have you as a member benefited or WPPA, benefited as a result of your nominee's efforts.

Explain the activities that the nominee carried out and if possible, how did they help WPPA and its members. Give a very specific measure of success. include the significance of the particular acts that the nominee did.

It is crucial that you highlight anything that makes your nominee stand out from the rest and mention how the particular activities or what they have helped with was impactful.

The nomination letter should begin with an opening statement that briefly states why the nominee deserves an award. The statement should clearly outline the contributions the nominee has made and how his or efforts have been helpful.

Take the time to nominate a volunteer that has either helped or impacted WPPA Members or WPPA as a whole. This Association is run by volunteers and we would like to honor them.

Volunteers make this organization great!

PPA National Award

Volunteers truly are the lifeblood of PPA. PPA has extraordinary volunteers whose efforts deserve special recognition. Seeking a way to thank these individuals, Professional Photographers of America created the National Award in 1958.

Each year, PPA makes this prestigious award available to members of the Community Network with PPA who then presents it to a deserving individual.

The highest honor granted by a Community Network member, the National Award recognizes those whose support for photography goes far beyond any regular expectations or contributions.

Selections of the award are determined by the recipient's peers, adding to its distinction and value.

The simple inscription on this plaque reads "for service to professional photography" – but we know that this award means far more than that.

This award may be given to a member or a non-member, or to someone outside of the field of photography. The only restrictions are that the individual must have performed outstanding service to the profession of photography and that no individual may receive more than one National Award from the same group.

HONORARY FELLOWSHIP

Honorary Fellowship

The highest honor that WPPA can offer for selfless, uncompromising dedication to the achievement of contributions, which eminently advance the image of professional photography, is the Honorary Fellowship.

This is awarded to an individual, not necessarily active in professional practice, but who has contributed greatly to photographers and photography. He or she may or may not be a member of PPA or WPPA.

This award is given for special recognition – it requires 3/4 WPPA Board approval.

The Honorary Fellowship is awarded with a gold medal on a red and purple ribbon by the Fellowship Chair.
