ELITE  
COLLECTION

What is the Elite Collection, and how do you strive for the honor of having your image displayed in this collection?

The Elite Collection award goes to the top 40-50 highest scoring images in the WPPA Image Competition each year. Images must score 80 or higher to qualify. Only a maximum of 4 images from a maker will be chosen from each competition that is held, Photographic Open, Artist and Folio competition.

The maker with the highest scoring image is honored on the cover.

The images displayed in this year's Elite Collection are a representation of the great talent produced by photographers who study and continuously strive to improve their skills.

Congratulations to all of you that have the honor of getting your image published in the 2026 WPPA Elite Collection.

Thank you to the members who have participated in all the image competitions that WPPA and other associations and guilds have to offer.
