Well here it is.

As a way to have more communication with our membership, we now have a new (mini) newsletter called **Connections**. This newsletter will come out on the months we don't have a full newsletter. It is intended to keep everyone informed and updated on regional meeting dates as well as WPPA meetings and Conventions.

### NEWS

Our HR committee has hired a new Executive Director, Rick Trummer. Rick is already hard at work on the June newsletter. If you have an article to put in the next newsletter, get it to Rick by May 17th. Regionals get your info to Rick as well, meeting dates ect.

Our new **members only** facebook page is great. I again would like to thank Donna and her facebook committee, who monitor this site, for their time. If you haven't been on there yet, you should give it a try. You may just learn something from your fellow members.

Ken Martin and Carl Caylor are working hard to put together a great fall shootout and a spring convention. If you are called on to help in any way, please say yes. You

will not regret getting involved, this is where you make the connections that last a lifetime.

Board and committee members, we have a meeting on May 15th, at the Hotel Mead in Wisconsin Rapids. We will be approving the budget for the next year at this meeting. Please plan on being there. And again, thank you for serving the WPPA with your time and talents.

Paul
